

DECLARATION OF CONFORMITY

We: TOA Electronics Europe GmbH
Süderstraße 282, 20537 Hamburg, Germany

as the authorised representative of the

Manufacturer: TOA Corporation
7-2-1, Minatojima-nakamachi, Chuo-ku, Kobe, Japan 650-0046

declare, under our sole responsibility, that the product

Product Name: ATTENUATOR

Model Number: ATT-100VI

conforms with following specifications:

EMC: Due to the nature of passive linear components, this device cannot radiate or conduct other frequencies as it is used for. It can also not be disturbed by electromagnetic waves or conducted currents/voltages at frequencies higher than it is used for because of the used passive linear components.

RoHS: EN 63000: 2018

The product herewith complies with the requirements of the EU directives:

2014/30/EU relating to electromagnetic compatibility (EMC),
2011/65/EU and (EU)2015/863 relating to the restrictions of hazardous substances (RoHS).

Remark:

This Declaration of Conformity replaces all previous ones of the above model(s).

Hamburg, 26.09.2022
