ER-1215

15W HAND MEGAPHONE

Appearance

<Note on the audible range and battery life>

1. The indications of the audible range and battery life are based on the JEITA Standard*.
2. Audible range presumes that the megaphone employs new batteries and is used on a quiet street.
It varies depending on such conditions as battery consumption, ambient noise, wind direction, and obstacles.
3. Battery life assumes that megaphone is used for 30 minutes a day.
