Speaker mounting example

Note:

To set the speaker angle mode to "60° mode," 3 pieces of the optional HY-60DB-WP Speaker Angle Brackets are required.

Example for MT-200 mounting (0° mode)

(scale: 1/15)

To ensure ample work space during construction

- ※ Use at least 8 bolts (4 top, 4 bottom) to mount to the wall.
- ※ Make sure that two of the uppermost and lowermost mounting holes are fixed to the wall with bolts, etc.
- ※ Secure with a good balance of bolts in both left and right mounting holes.
